## Radiologic Technician

### Description

We are seeking a professional Limited or Full Scope Radiologic Technologist for our urgent cares in Murfreesboro. This position could be either full-time or part-time for the right candidate. [Our office is open from 8 AM – 8 PM seven days a week.](#) Experience preferred but not required. However, you must have a valid X-Ray certification as well as be licensed in the state of Tennessee. Resumes without these requirements will not be considered

### Responsibilities

As a Radiologic Technologist, you will be responsible for interacting with patients and developing a rapport while performing X-Rays, ensuring the X-Ray equipment is functioning properly by performing necessary maintenance, managing supplies, complying with all federal, state, and local legal and professional requirements for this position, be able to multi-task, as well as perform other duties such as phlebotomy, lab work, vital signs, injections and various other Medical Assistant related duties.

Additionally, due to the nature of our business, medical emergencies are a possibility, and you must be able to remain calm in stressful situations. The ability to maintain strict confidentiality is also mandatory.

### Qualifications

- X-Ray certification
- licensed in the state of Tennessee

### Job Benefits

Salary is commensurate with experience. The shifts are 12-hour shift (8 AM – 8 PM), and 1-3 shifts can be worked weekly. Working weekends will periodically be required. A \$200 bonus is included for the successful complete of 90 days of employment. Please respond with your salary requirements.
